

Nebraska Wellhead Protection Network Meeting Notes

Friday, March 27, 2014 7:30 - 9:30 a.m.
Nebraska State Capitol Building, Lincoln, Nebraska

March 27, 2014 – Legislative Breakfast at the Nebraska State Capitol Building, Lincoln, NE. Forty-three people were in attendance at this event. Special guests included the Girl Scouts of Syracuse Girl Scout Cadette Troop 20021. The girls shared their concerns and perspectives on the state's water issues.

During this informal event, invited guests, Senators and their representatives, could discuss and learn about the State's groundwater issues with Network members. Several displays were showcased on the first floor Rotunda the week prior to the event and several displays were in the room during the event. These displays highlighted groundwater issues such as nitrates, effects of prescription medication on groundwater, economic impacts of drought, and wellhead protection. The agencies providing displays included: Nebraska Department of Environmental Quality, Nebraska Department of Health and Human Services, Nebraska MEDS, Nebraska Chapter Soil and Water, Nebraska Department of Agriculture-Pesticide Program, Water for Food, and The Groundwater Foundation.
